Thede Building

221 East Main St.
Aledo

EXISTING CONDITIONS

Upper-floor casement windows with aluminum frames that fill the original opening.

Awnings should be installed one over each storefront as shown, with a total of 6 separate awnings. Awnings should be in a complementary color of the owners choosing.

Storefront windows, correctly proportioned to fill original opening. If windows do not extend to full height of original opening, area can be covered by awnings.

New commercial entry should be installed at central point on the building facade. Entry should match the new storefront.
