EXISTING CONDITIONS

A new custom Sunbrella Awning should be installed in Spa fabric with Sapphire Blue stripes. The business name should be printed on the valance.

A new flush-mounted sign should be installed with the business logo, as shown here. The sign should be lite at night with small spotlight, the light housing should be painted to match the background color.

NOT FOR COLOR MATCH

Body of building should be painted Rookwood Sash Green (SW 2810) from Sherwin Williams paints. This color should then be repeated to highlight the details on the center of the building.

NOT FOR COLOR MATCH

Body of building should be painted Roycroft Vellum (SW 2833) from Sherwin Williams paints. This color should then be repeated on the window frames.

NOT FOR COLOR MATCH

The trim should be painted Downing Slate (SW 2819) from Sherwin Williams paints.
