ILLINOIS MAIN STREET PROGRAM

The Illinois Historic Preservation Agency, through the Illinois Main Street Program, has provided this free design assistance to qualified property/business owners in the officially designated Main Street district. This conceptual rendering is based on information supplied to the staff. Should obscured architectural details or problems be revealed during the work, the local project manager and/or the staff architects should be consulted.

Project Number 2007007	Sheet 1 of 2

EXISTING CONDITIONS

Paint non-historic brick to match the dark green trim color.

Replace existing door with historically appropriate door as shown

Enlarge existing opening and install a historically appropriate door as shown.

Replace existing back porch with new as shown. Perforated metal landing and screening can help disguise the utilities but allow them to be functional.

Relocate or disguise utilities as much as possible. Many can be painted to blend in with the wall.

REAR ELEVATION

PROPOSED DESIGN

Brick color to match painted brick on the front. Awning color is Burgundy, style 4631 by Sunbrella. Sign is externally lit by a gooseneck fixture..
