PROPOSED DESIGN

Individual cast metal letters by Gemini are of the same font and finish as the exterior sign, and are bolted to masonry joints. The silver Starburst Clock is by Chiasso. The sign and the clock form an asymmetrical composition, very characteristic of mid-20th century architecture and interior design.

MID-20TH CENTURY EXAMPLE

This photo clearly reflects the asymmetrical composition that was prevalent in mid-20th century interior design. Please note the position of the clock at the right of the photo.

NOTE: The Illinois MAIN STREET Program, through the Illinois Historic Preservation Agency, has provided this free design assistance to qualified property/business owners in the officially designated MAIN STREET project areas. The rendering on this sheet is a conceptual view of the facade renovation based on information supplied to the staff architects. Should obscured architectural details or problems be revealed during the work, the local project manager and/or the staff architects should be consulted.
