EXISTING CONDITIONS

Replace existing signs

Replace door

Remove paint from porcelain enamel panels

Replace the existing storefront display windows with new clear anodized aluminum storefront system. The profile of the new framing should match the thinness of the existing. The porcelain enamel bulkheads are to remain and be repainted.

ILLINOIS MAIN STREET PROGRAM

The Illinois Historic Preservation Agency, through the Illinois Main Street Program, has provided this free design assistance to qualified property/business owners in the officially designated Main Street district. This conceptual rendering is based on information supplied to the staff. Should obscured architectural details or problems be revealed during the work, the local project manager and/or the staff architects should be consulted.
